I've never done nude modeling before. Only some topless shots for a bikini calendar. When my photographer asked my if I would do risqué photos for Leggy Wives, I was hesitant. When I decided to do it, I asked my husband to come along but he said I should just do what I was comfortable with. After a couple hours I felt comfortable enough to get a little sexy and you get to see the results. For me, they're pretty hot. I hope you like them, too.

I went to the mall just before the shoot and found these strappy shoes. They make my legs look great, don't they. I also feel pretty sexy in them. Guys, be sure you look at the shoes, too.

I couldn't
decide if I
should shave
my pussy or
not for the
shoot. After
all, it was a
leggy shoot.
How much
would you
be looking
at my puss
anyway.

When I really felt comfortable, I began to play with myself. It was a little strange at first, but by the time the shoot was ending, I was just about ready to cum and I didn't even realize I had drifted that far.

Oh where to be in the world of the pantyhose. At the tip, caressing the toes? At the thigh holding it tight? Or perhaps the crotch, where love resides?

Mae

Hosed and Stuffed

Now that the hose is gone, we can see what was hidden and probe the depths with the blue heat-seeking missile of pure pleasure.

It’s found a place to rest. A place far from the rest where it can do it’s thing. How deep will it go? How much pleasure can one woman endure from a little piece of plastic?

Alyssa
I'm such a dirty girl! Would you like to watch me take a bath?

I pay special attention to my pussy just so my men and ladies can pay it that special attention, too.

My cute little asshole needs a good cleaning. I can't wait to have it licked and fucked.

Now that I'm nice and clean, I'm ready for you. Cum on, take your clothes off and jump in the tub with me.

IT'S SUMMER ALL YEAR LONG

There's just something delectable about a young wife's pussy. It's fresh and pink and ready for anything, anytime.

There's no substitute for my hubbie's huge cock, but when he's at the office, I like to invite my friends in.

I like all kinds of
little friends. They
never complain and
do whatever I ask of
them. These two are
my faves. I call them
"Glassie" and
"Pumpkin,"

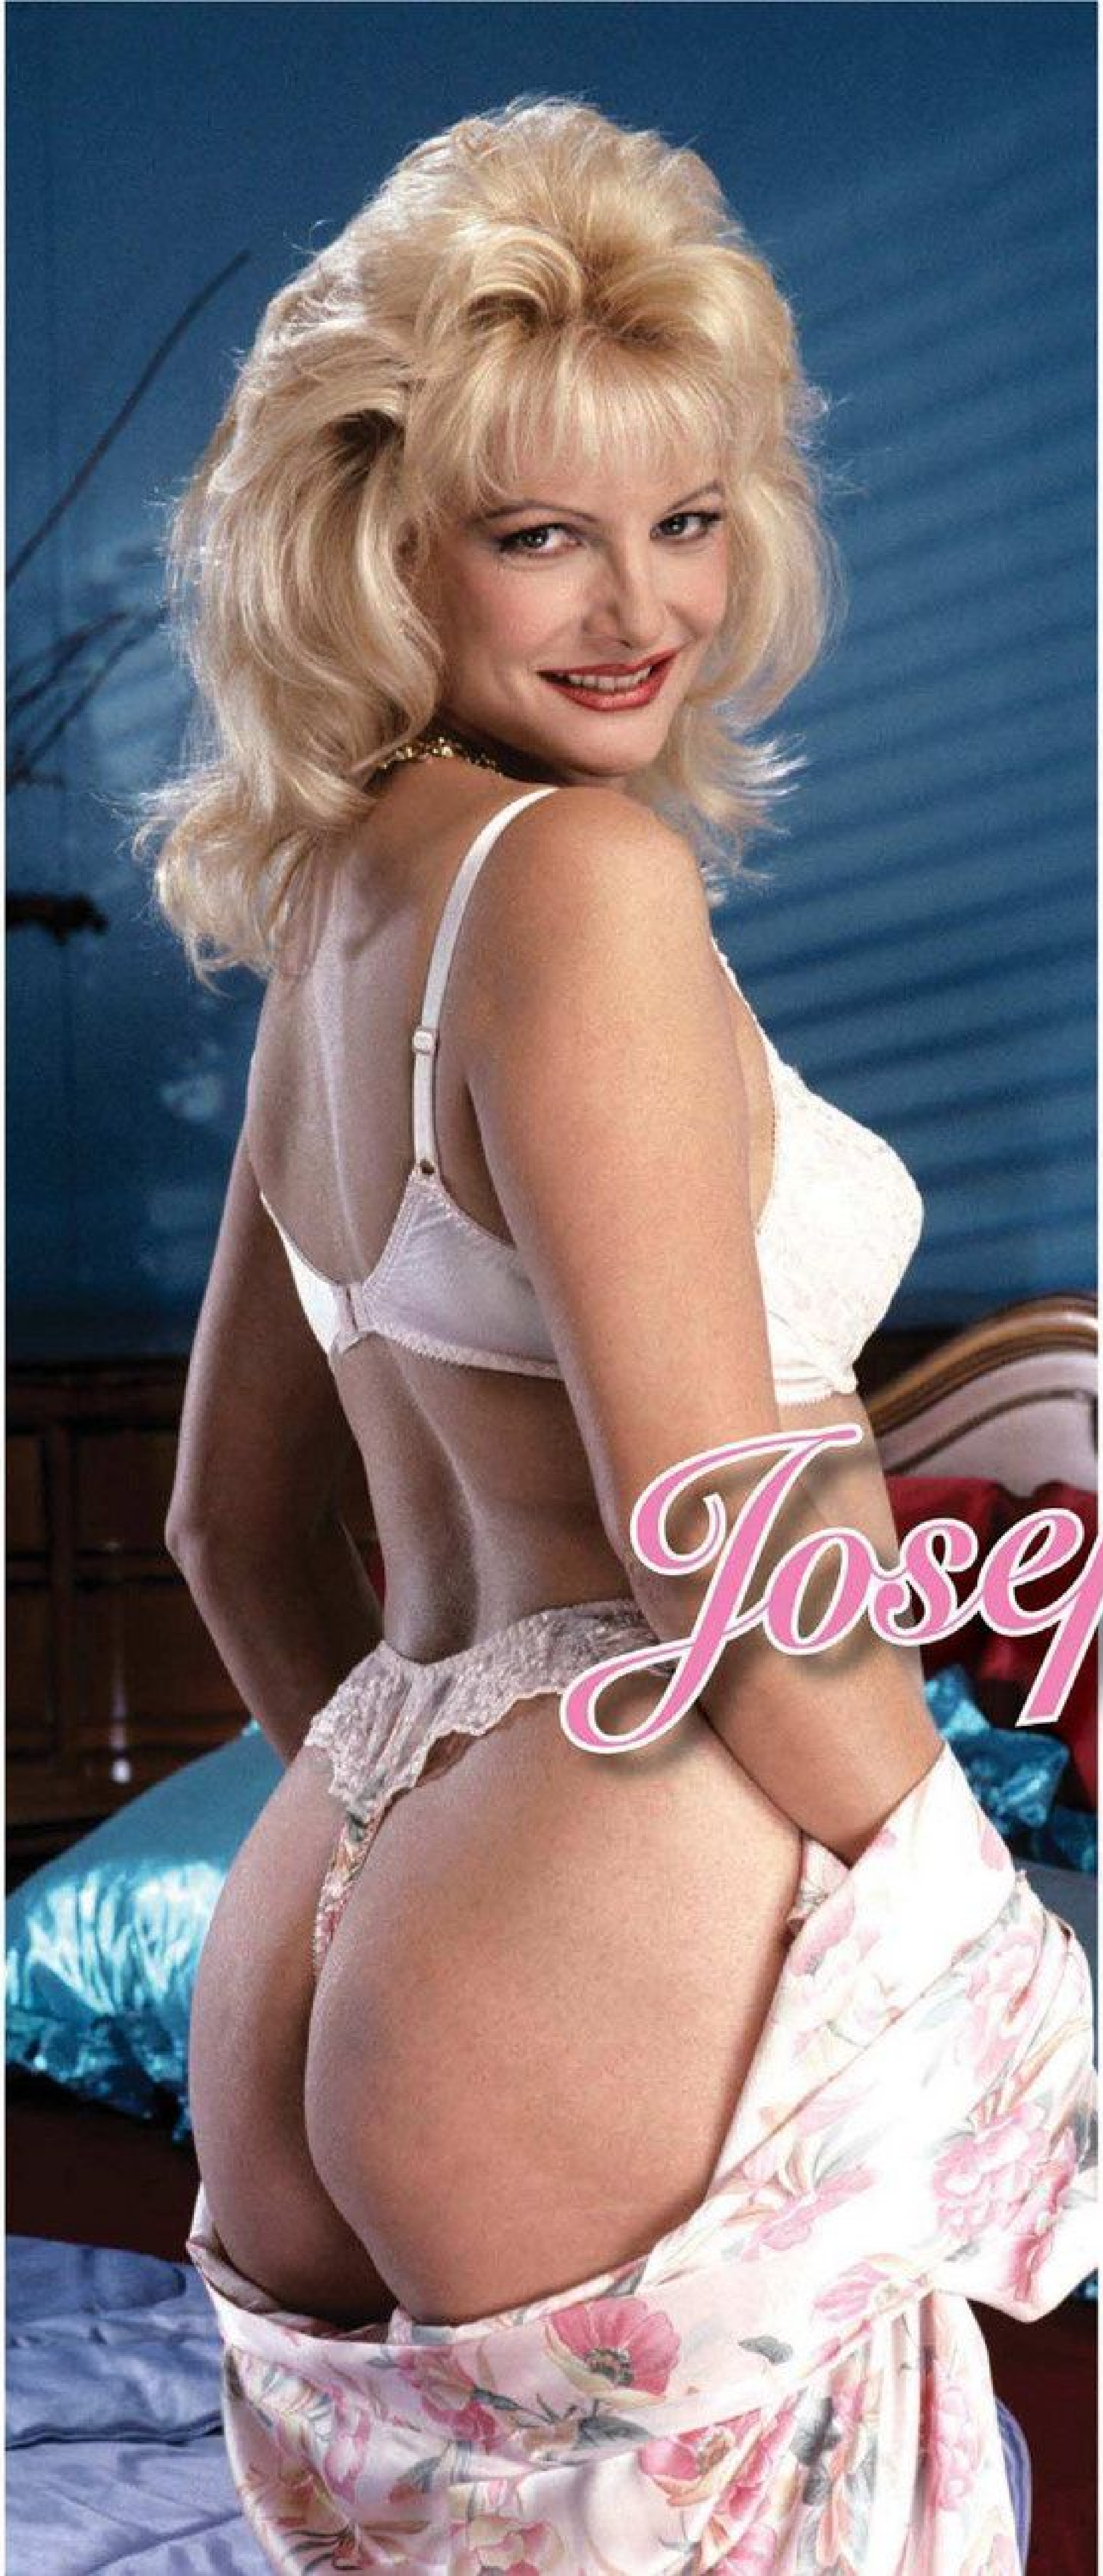
What an Angel

I'm not that much of an angel. I like fast rough sex and the more often I can get it the better. I feel that I missed out on a lot of it when I was younger, so now my motor's revved and I'm hot to trot! I was the bookworn through college and only dated a few guys and only slept with one of them. There were a couple guys at the office that I messed around with, but we never fucked. I would go into the copy room and give them hand jobs because I couldn't mess up my lip-stick at the office.

In my thirties I worked on a cruise ship, and while the crew was getting on with each other – and the passengers, I was in my bunk bed reading the cruiseship manual. The purser would come on to me. He would ask me to help him count the money and a couple times, after we finished, he hinted that he deserved a bj. I finally gave in and gave him a not-too-sloppy blow job, but he didn't seem very pleased. After that I decided that I would have to learn to give better head and that became my only mission.

On my fortieth birtday, my best friend set me up on a blind date with a local rock star. Strangely, we hit it off. While he looked the part, he did not act it. He was sweet, attentive and ulimately I found out he was a great lover. He was ten years younger than me but that seemed just right, He made me feel young, but even better, he had the sexual stamina to keep up with my years of pent up frustration that I exloded all over him every chance I could. I got tats and pierced like him; and I'm even doing nude modeling now. Baby, look at me now!



Josephine

Editorial Director James Filmore met Josephine for the first time at her photo shoot. They spent a fascinating hour together. Here's his interview with this lovely lady.

When you came through the door, I was expecting someone older.
Like Grandma Moses?

Not exactly, but nothing like you.
I'll take that as a compliment.

You should, you're a fox. Are you really 50?
I am. My fiftieth was four months ago.

That's a milestone. May I ask how you celebrated it?
Well, I was taken out to dinner by my boyfriend and my daughter to a really fine restaurant in Manhattan.

> *My daughter just had a baby but I'm not ready to be called a grandmother!*

My daughter left just before dessert came. I think they planned it that way. And that was fine with me. Robert and I lingered at the table for a while, then went back to my apartment and drank champagne on the balcony.

That sounds very romantic.
Yes, It was just as I like it. Mellow with the man I love, sitting together and enjoying life and love.

I noticed you said Robert is your boyfriend. How long have you been together?
Yes, He's wonderful. I feel very lucky to have him. We've been an item for about six years now. My husband...

> *interview continued after the pictorial*

I like to call the shots when it comes to sex. I will tell my man when and how to eat my pussy, how to lick it, when to stick a finger in, and when to stick his cock in it.

To all you guys out there, when a woman tells you what to do, that doesn't mean you're not good at it. It means she is secure enough in herself to say what pleases her. So you better listen and do!

Josephine

passed about eight years ago. He had a heart attack at 45 from the stress his job gave him. I didn't take it well and was really depressed for a year.

And that's when you met Robert?
Yes, believe it or not, I met him in the produce section of the supermarket. I had dropped some tomatoes and he stopped to help me pick them up. This time he just continued on shopping, but I saw him again about a month later in the same market and thanked him for helping me last time. He was very courteous and I asked if I could buy him a cup of coffee to thank him. He agreed, and the rest, as they say, is history.

You asked him for coffee? That's pretty forward of you.
I have no problem asking a man for anything. I believe that you have to go after what you want and as long as it doesn't hurt anyone then that's fine.

I heard you were pretty straightforward, and I like that in a woman. Does that apply to your sex life too?
I wondered when you were going to get around to that.

Well, this is 50+ magazine and our readers want to know.
I'm happy to tell them what I think. Not all women think the way I do, but I'm happy with myself and it shows in the bedroom too.

Were you always this confident with your sexuality?
No always, but I wasn't too far off from what I am today. I believe that sex is a healthy part of life and you should do it with the way you want it done to you. I don't think you can be reserved with a man. People are sexual animals and we women have to recognize that. Men don't always have to be the aggressor. Women don't always have to be passive. When I want something sexually, I have learned to tell my man and he respects that and does what I ask of him. Along the same lines, I must then do what he asks.

That's very diplomatic – and wise of you.
It's not that necessarily. It's more like, respect for each others sexuality. If I want my pussy licked, I'll tell him. I'll tell him when, how and for how long. I don't bark out instructions, but rather, it's part of foreplay, of our lovemaking. Like when we're all cuddly, I'll whisper that I love the way he licks me. I'll tell him how I love it when he goes down and opens my legs and then my labia and starts off real slow. That is usually all it takes to get the hint.

Very cool. And how does he tell you what he likes?
Well, with Robert, it took a while. He was not quite comfortable with sex talk at all but he has gotten used to me and now he does it too, For example, we'll be driving on the freeway and he'll say that He's been thinking of me in this pink outfit I have that he likes, and that his pants are getting tighter. That's my cue to release his johnson from his pants. I'll playfully comment that it's not safe to do that on the freeway and he'll say we're only going 5 mph in the traffic jam, and it would make the time go by faster. I unzip him and go down on him. Sometimes people see us.

How do you two handle communication in the bedroom?
That's a process that takes time. It takes a willingness on both partners part to express their wants and for the other to help fulfill them. I'm not talking about fantasies or role-playing but how to touch, how to kiss, how to fuck. It makes sex more pleasurable and bonds us as people.

You almost sound spiritual in your reasoning.
It's kind of spiritual if you say "ooohm-mm" during sex, but we don't. We just get it on as we want. As we both want. As we each want. There was one time we were about to make love in the living room. The lights were low, the music was slow and so was I. I had been trying to make a creme bruleé in the kitchen and it was taking too long for Robert. We both were nude so the anticipation was there. He yelled (nicely) to me to forget about it, his dick needed my attention more than the oven. I came out with only an apron on and a rubber spatula in my hand and threatened to use it

I had been trying to make a creme bruleé in the kitchen and it was taking too long for Robert. He yelled to me to forget about it, his dick needed my attention more than the oven. I came out with only an apron on and a rubber spatula in my hand and threatened to use it on him.

on him. He said his boys had been bad and they needed a good spanking. I walked over to him, told him to push his cock against his stomach and I began to spank his balls. I did it lightly of course. Then I hit his hand that was holding his cock and told him to let go. I grabbed it and began to slap at it with the spatula too. I rubbed the rubber up and down the shaft as I held the head. He groaned in false pain, but I kept it up.

That's an interesting way to make a point. Was the spatula a part of the rest of your night?
No. After I used it on him for a while, I told him my pussy was cold so he had to warm it up. I sat on his face and ground my pussy into his face. He opened his mouth and completely surrounded my pussy lips and sucked it all in his mouth. I told him it was still cold, do he stuck his tongue in my pussy and began to lick me wildly. I turned while sitting on his face and began to sixty-nine him. We were on the sofa when the timer for the creme bruleé went off. He grabbed the spatula I had left on the coffee table and began to slap my butt with it because I was on top. That go my blood going even more and I rubbed my pussy harder into his face. His cock was getting quite a workout from my mouth. My hands had his balls squeezed tight as a switched from his cock to his balls. Every time he slapped by butt with the spatula, I bit his shaft. We got into this strange rhythm doing this that we could tell when each other was about to cum. As we did the pace picked up till he came in my mouth and I came on his sopping wet face.

Wow, that was quite a hot story. But what happened to the creme bruleé"?
It sat in the oven for another half hour as we basked in the afterglow. We just lay there in the same positions we had cum in. His cock limp in my mouth and his nose between my labia. Exhausted, I got up, apron still on , and went to the kitchen to get the dessert. He cleaned up the area around the sofa and we sat there, nude, splattered in each other's cum eating cold creme bruleé.

After talking to you, I don't know if I'll ever look at a spatula or eat creme bruleé the same way again.
Oh you'll can have adventures like this yourself. You just have to be into it with your partner and don't be afraid of having fun during sex. Remember, the whole world goes away when your making love. There is only you and your partner so enjoy every last minute of it. Something I didn't do with my husband, but I'm trying to do with my boyfriend.

Eloise

I’m not the least bit shy!

I like sex too much. After my husband and I divorced, I became more sexual. I likes sex better now. I liked giving head and receiving it, too. I even experimented with women. Now that was nice experience. I did not realize how soft and cuddly women are. You guys really got it good.

I love to have my pussy filled.

I often think that it's too bad men can't have a pussy for a few hours just to feel what it's like to have it filled with a big cock. I think they would really enjoy it and also have some sensitivity as to what it does for us women.

Dear 50+

Big buxom babe Macy drove my dick crazy causing me to stroke my meat, blowing my load all over my sheets. What really drove my dick crazy is not having my dick between huge tits but fantasizing about pumping Macy's hot, tight rump. Macy's cute anal bottom shot caused my dick to pop. First what's needed is Macy's lovely big cheeks spread to the rim of her cute ass. Running my tongue up and down, side to side getting Macy's anal flower nice and wet.

Slide a finger or two inside to massage her tight brown hole, squirt in some lube to loosen up Macy's hot rump just like the hot pics Macy's legs spread wide on her back slip my dick between her cheeks. Slowly pushing my hard cock's helmet inside expanding Macy's cute brown hole as I push my dick all

Dear 50+ April 6

Reader confession by Sheila Halloween party the VFW made me bust a nut. Is Sheila looks like the MILF model hottie in the article, I could definitely understand why the reporter pounded his pen in Sheila's inkpad. The cowardly lion could not resist giving some head lion dick to MILFy pussy princess Lay-Ya. Good story that hardened my dick and made me stroke it until I blew a hot cum-load all over the MILFy model's shaved hot box. The hot story of MILF on the beach made my cock ride fantasizing that it was my dick satisfying the hot big titted MILF and her big titted gal pal. Nothing is better than having two wet gushy slits and two babes hungry for cum. The uber nerd and flexi lady was great warm up story to get my dick hard for the rest of the issue. My question is who is the silver-haired cutie with the awesome rack and shaved snatch?

Brian again

Vannia
Cum take a letter

Stephanie Sweetson's recollections of just another day at the office

Her fingers pulled the silky fabric aside as she found my labia and then my clit.

There's an important business conference in Miami in three days and I've got to get this interdepartmental correspondence out asap. Last year this same conference almost cost my company it's reputation with all the shenanigans that went on at the hotel. Business took a back seat to all the employee hanky panky. That's why I was hired - to pull the troops in line and not have it happen ever again.

Vannia is my secretary. She was just hired with great credentials and a great work ethic. She is punctual every day with a nice attitude and sweet personality. And the fact that she is beautiful is an asset, too. This is the first time I'm actually giving dictation. I just don't have the time to sit at the computer and type this stuff out. Vannia is a bit of a computer geek and that comes in handy around the office.

She comes in and sits by my desk, wearing a bright red v-neck sweater and black skirt. It offset her beautiful blonde hair and milky skin. In her hands are a pad and paper and she's ready to write down my words.

"Dear fellow employees of the Dester Beverage Corporation. It has come to my attention that the previous employee conference held in Miami caused concern in management that must be addressed. It has come to my attention that certain employees took advantage of the company's generosity and reputation to cause. . ."
I paused trying to be diplomatic with my words. Vannia looked at me with anticipation of the next words. I told her that I was stuck trying to define their antics at the event. She offered a couple suggestions, but I didn't really hear her. When she spoke my eyes drifted to her v-neck and I wondered if she was wearing a bra, or what her breasts were like. I wondered what they felt like.

"Stephanie," she said, Did you hear me?" I told her I did, but what came out afterwards shocked even me. "Are you wearing a bra today?" I asked. She looked shocked but put down her pad and leaned forward so I could pull her v-neck and check it out. She wasn't. I told her that she really should because it is proper office etiquette, She said she would and grabbed the pad once again, ready to do her job. I got off the desk and bent down to kiss her. She did not hesitate or resist my advance. I gently stuck my tongue into her mouth and again she responded with the same. She put down the pad and pencil and lifted my skirt a little to reveal my sexy black panties. Her fingers pulled the silky fabric aside as she found my labia and then my clit. She gently probed my pussy and found my pussy slit as it opened and welcomed her fingers. She inserted it on to the first knuckle and then the complete finger. I reached back behind my desk and opened the top drawer and pulled out a black bubble dildo. She immediately stood up and hiked her skirt up and dropped her panties in eager anticipation. I teased her with the dildo as we kissed and stripped off most of our clothes. I excused myself for a second and went to lock my office door. When I turned back her gorgeous breasts awaited me and I immediately started licking and fondling them. She responded with soft moans, careful not to be too loud and alert the office. She stood me up and told me to turn around. I did and she lowered her face into my fanny's crack. Her hands pulled my cheeks open so her long tongue could find its prize – my sweet, soaking wet pussy.

As I bend over the desk, I again reach into the desk's drawer and pull out a glass sword-shaped dildo. It has been my weapon of choice and has seen many a good fucking. This time I offered it to her to use on my pussy. So like female warriors, we each grab our dildos and begin to use them on each other.

Like female warriors, we each grab our dildos and begin to use them on each other.

I start with the black love stick and go down on her. My tongue finally gets to taste her sweet cunt as I tease her outer lips with the black tip. She lets out moans and drops her head back, clutching the glass rod tightly in her fist. My tongue finds its prize and I lick her large clit. It bounces back with every flick of my tongue. It moves aside, allowing the black dildo to penetrate the opening it has been guarding. I push it in watching every bump as it disappears into her pussy. As the last one disappears, I twist it a few times inside her and then pull it back out. Then push it back in and do the same as I watch her pleasure level grow. Her hips buckle and arch as she feels the power of the push. I watch her pussy lips open and close as it goes in and out, I lick her clit ferociously as I feel her body beginning to climax. As she does, I close my lips around her clit, sucking it deep into my mouth and push the dildo all the way in, twisting and turning it to fill her pussy with waves of pleasure. As she cums down I slowly pull it out and give her one last flick of my tongue as she gives her last shudder.

Without missing a beat, she lays me back and grabs that massive, clear dildo my pussy has been craving. I whisper to her to be gentle, but I can tell she isn't. She starts by licking the glass tip and readying for my cunt. I open my legs and pull my pussy lips apart, inviting the big monster rod to it's home. Before she slips it in, her mouth surrounds my privates and she slithers me with her tongue. I feel her salivate and spit in order to prepare my hole for the stabbing to come. As she pulls her head away, I pull it back, grinding my wet pussy into her face. I want her to kiss me so I can taste my pussy juices. As if reading my mind, she lifts her head to kiss me while she probes my pussy opening. I forget about the dildo momentarily as I taste her mouth and tongue. The sweet pungent smell of my pussy makes me hotter and hotter. I grab her hand and jam the damn thing into me. I fall back as it pierces my vagina. The width of it fills my hole and heightens the sensations that ring the opening.

Vannia wields it like an Amazon warrior princess as I am her slain victim. I finally reach my climax as we have destroyed, my desk space, knocked my papers onto the floor and left our discarded clothing all over the office. We spend a couple warm minutes in each others arms as the work day slowly grinds to its end. She reaches for the pad and paper, strewn on the floor and sits back in her chair. Adjusting her naked body on the chair, she looks at me as I'm putting on my glasses and asks, "Did you like my suggestions?" I did.

WOMEN

MATURE WOMAN

Hi, I'm a bored, blond suburban housewife who's oversexed and over stacked. My husband just can't satisfy me. He doesn't understand that a 40-something woman has lots more experience than these young bitches. Our bodies are at their highest sexual peek and we want a hard cock right now! My measurements are 38DD-25-36 and my ass is as tight as a drum. I'm looking for a stud to get me off. Can you handle that? I do everything, BJs, anal, threesomes, fetish, role playing, around-the-world - anything goes! You name your sexual kick and I'm the woman who'll satisfy you. Dare to be bad with me. Write me now. Seductively yours,
Barbara B., Wilmington, DE.

30-SOMETHING SLUT

Hi, I'm not a 20-something anymore but my body still rocks and I'm more horny than ever. I need men who appreciate a girl when she starts to mature. My pussy still gets wet at the very touch of a man (or a woman). It makes me nuts that guys don't get it that we blow these young bitches away. We know how to please with our mouths, and even anally so give me a try. I like real dirty talk.
Don't delay. Julie P., Los Angeles, CA.

LONELY

My husband left me for a 19 year-old slut last year and I want to get back at him badly by having sex with as many men as I can. That means you! I'm a very attractive woman in her mid 40s with dark hair. I'm half Latin and half German so I have a great, exotic look. My body is very good for a woman with two kids. Still an hourglass figure. Long legsv and tight buns (I work out regularly). I haven't had a lot of sexual experience but I'm open (wide open). Please send a nice intro letter first.
Maria, Houston, TX.

MEN

YOUNG MAN WANTS MOM

OK, so I'm only 18 but I love older chicks. I had this thing for my best friend's mom forever. She's so fucking hot! She wears those black seam stockings and tight ass dresses and just drives me wild. I want a woman like that with big tits and a big ass. No young cheerleader bitches. Just mature sex-starved women who want a young stud to fuck them all night long. I can do it. I also eat pussy. Send your letter to: Bud, Portland, OR.

HANDSOME STUD SICK OF POSERS

I'm sick and tired of chicks who want nothing but guys with money. I want an older MILF or cougar who will be thankful when I do her all night long. Don't ask me about how much fucking money I make, just as me how big my dick is or how long is my tongue because that's what I'm going to use on you. And you better thank me once I cum in your mouth.
Billy, Tacoma, WA.

NEW YORKER

Yo, old bitches. I don't care how old you are – 30, 40, 50, even 60. I'll do any woman who puts out. But you gotta do whatever I tell you to do, OK? So be prepared if it's really weird shit. Don't write to me if you don't want to do really crazy stuff and sex that you only read about in magazines like this. I'm the real deal. I have had se with at least 500 babes here in Brooklyn alone and that's not even counting Manhattan. I go to clubs there and find women your age all the time. So why am I writing to this magazine? Because I want more, OK? I'm handsome and work in law enforcement. Tell me how you look. No ugly chicks. If you're over 50 you better be in good shape. No saggy tits or asses. Mario, Brooklyn, NY.

NEEDS EXPERIENCE

I need an experienced woman to teach me about sex. I've only experienced kissing. Once I put my finger in a girl's hole but that's it. I need a woman who knows how to teach a young guy. Can you help me? I jerk off two or three times a day and always think of my teachers and female bosses (who are older) so please make sure you're like the women in this magazine. Oh, and I like those big white panties and big white bras for you to wear.
Clive, Chicago, IL.

MARLEE’S MAGIC GAMS

OH MY GODDESS. WHAT A BABE MARLEE MOORE IS. When I saw the cover of Leggy Wives, I thought “Okay she’s a pretty girl. but then most magazine cover girls are, too.” But I thought she was cute enough to plunk down my money and buy the issue. Man was I NOT disappointed. She is a downright bitchin’ babe. She is so beautiful she could be a fashion model. She is so pretty she could be a movie star. She is so hot she could be a Playmate. She is so fucking hot. Everything about her is great. Nice perky boobs. Sexy blonde hair. Fit, sculpted legs. And a beautiful pussy. She is the best thing I have seen in a magazine, or even on the street. Kudos, dudes!

– Sanford, Denver

Hey Sanford, your use of those superlatives is astounding. Yes, we know Marlee is a stunner, and we appreciate your liking her too. When she showed up at our office, we were blown away and jumped at the opportunity to work with her. She proved to be just as nice – and pretty as her pictures. After a little coaxing, she opened up and we got a great photo set from her. We’re glad you like it. – Ed

I LOVE LEGGY BLONDE BUNNIES

Your last issue of Leggy Wives had a bunch of gorgeous leggy blondes. That’s just my type. I must have jerked off to that issue ten times within a few days of buying it. My old girlfriend was a leggy blonde and we would have great leggy sex. She knew that I liked legs and she would use them to get me off. Sometimes it would be with stockings on, sometimes it would be with bare feet and sometimes I would ask her to wear these bunny rabbit slippers I bought for her birthday. We would have a great time and it was fun, too. She would take my cock with both her feet and I would look down and see these two cute fuzzy bunny heads surrounding my cock. I would talk bunny talk and she would too, talking dirty to me with that high squeaky voice until I would cum all over them and let out a squeaky bunny groan. Ahhhh, good times. Thank you for letting me relive them because she left a few months ago for Germany.

NOT A FOOT FETISH?

Twenty years ago I was going out with this leggy college girl. We would go clubbing together, yet never really hooked up as a boyfriend and girlfriend. We almost got it on once, but after that our clubbing days ended, too. But I digress. We were out at a club with a bunch to drink and decided to go back to her apartment. As we were walking down the street she would kick her leg up over the parking meters on the curb. Holding on to me for support, she would time her steps and loft a leg over that meter like it was nothing. We joked about it all the way to her place. When we got there we both plunked down on the sofa and started to lose it from too much bad booze. I fell asleep on the sofa and assumed she had too, but I woke up to feel this warm, wetness around my feet. I was about to pee my pants from it, but woke up in time to see her down there washing my feet and toes, still wearing her little black dress. She noticed I was awake and lifted my feet onto the sofa. After drying them, she began to suck on my toes. I was shocked, and tickled, that I yanked my feet back. She pulled them back down and told me to close my eyes and relax. I tried but damn, it was hard to do so. She licked between my toes, someplace no one had ever gone before, and I started to like it. I started getting hard and pulled her hand to my crotch. She pulled it away and kept licking and sucking my toes. I tried again and she pulled away again, but this time she said that if I wanted to jerk off while she did this, well, that was okay. Being a relatively young college boy, I had never masturbated in front of a girl before but this was so hot, and I thought maybe she would join in, if I did it. I pulled my dick out and began to stroke it as she licked down there. I told her that felt great and she just looked up at me as her tongue swirled around my big toe. I would line up my cock with my big toe and pretend she was sucking it. This went on for a while and I tried to suggest she, at least, give me a hand job. She declined. I suggested she take off her clothes and she declined again. I was getting frustrated as I was getting close to cumming. So finally, as I’m cumming, she cups her hands by my dick to catch it – and takes and rubs it on my feet!. Well that freaks me out and I kick her away and rub them on her sofa trying to get it off. She stands up abruptly and tells me to stop. I tell her “No way.” I grab my shoes and beat it out of there. We saw each other in class a few more times but that was about it for our clubbing days. Looking back, I guess it wasn’t so bad because I now have a similar foot fetish!

– Edward, Penn State

Incredibly sexy Marlee Moore spreads those gams, and more, one more time to keep her fans happy. We’re working on another shoot with Marlee so stay tuned for more hot stuff from her!!!

ELISE & BILLIE BELIEVERS

Last night I brought your magazine over to my friend Andy's house. I had to show him the layout of the two girls Elise and Billie. I thought the blonde was his ex-girlfriend. We looked at the photos carefully and he even got out a magnifying glass to see if there were any tell-tale signs that it could be her. We ended up thinking it wasn't her, but were not sure. Is there any way we can find out if it is her. We promise not to reveal any secrets or give away any information. Andy was really in love with her – and still is – and he's been trying to get back with her. He doesn't care if she does girls or not. He says that's actually pretty hot, but that's not the point. Any help you can give us would be greatly appreciated.

– Lawrence, Atlanta

Dear Lawrence – and Andy, unfortunately we cannot give out any information about any of our models. We're sorry about Andy's scene but "Ellie" seems to have moved on. Perhaps Andy should, too. – Ed

OPPOSITES ATTRACTIVE

Just writing to say that I loved the layout of the two girls in your last issue. I think of myself as a bit of a connoisseur of ladies, especially ladies in stockings, and I must say that these two are the cream of the crop. The little blonde is a direct opposite of the tall brunette, yet the stockings fit them both perfectly. The stocking tops were both different. That was a very nice touch. But I must say, the sex seems a bit too stilted. Too posey for me. They are almost always looking at the camera. The passion is lacking, but overall it's not that bad. The dildo action is cool and they seem to be enjoying themselves enough. Thought you might want to know.

– Harrison, Louisville

Thank you Harrison. We'll take it under advisement from a leg connoisseur such as yourself. We hope you'll find the pictorials in this issue to your liking also. – Ed

WE'LL LEND AN EAR

No one will listen to me when I talk about my foot fetish. I get weird looks and comments. Some refer to me as a sicko. Some call me a weirdo. Some just walk away. It's not a topic that I bring up in conversation, but there have been times that I felt comfortable enough to bring it up, to either sex. I like women's feet. I like everything about them and I do not find that to be wrong, or that weird. There are probably some of the people who pooh-poohed me that have similar fetishes; they just won't admit it in public, but get them behind closed doors and they'll suck your toes, wear rubber suits, burn candle wax on each other, and even do worse than that or what I can write about here. So, I'm writing to thank you for hearing me out and having the balls to print a "fetish" magazine. I realize yours is not a true fetish magazine but if it begins to get the word out that we're normal people with normal urges, maybe this world will be just a little better for all of us. I hope that you'll print this letter because it does matter.

– Warren, Lima, Ohio

Warren, we empathise. Your cause is commendable and if we can be a small part of it, then so be it. Good luck. – Ed

WALK ALL OVER HIM

My husband is making me write this letter, but I want to do it too. We are heavily into fetish lifestyle and live it to the hilt after our working hours. I wear black rubber catsuits and make him wear a mask with a red ball gag in his mouth. I tie him up and beat his little ass until it turns red. I wear six inch heels with metal tips and walk on his back and chest with them. I make him lick them and suck the heel. We take pictures for our own pleasure, but want to share ourselves with others of like interests. Can you help us?

– Ronnie and Ronny, Boise

Ronnie and Ronny, yours is an enviable lifestyle, to some. Please check out the last page with our upcoming new Personals Section. – Ed

Fans of long, spread legs take another long look at two gorgeous babes that beckon you to replace their dildos with your cock. Elise and Billie from Leggy Wives #21 – you know you want them, and they want you, too. Whatcha waitin' for?

If you have something to say to us, then go write ahead. You can send those letters to the Editor, Blair Publishing, Inc., 9030 W. Sahara Ave. # 422, Las Vegas, NV 89117. WOMEN

MATURE WOMAN

Hi, I'm a bored, blond suburban housewife who's oversexed and over stacked. My husband just can't satisfy me. He doesn't understand that a 40-something woman has lots more experience than these young bitches. Our bodies are at their highest sexual peek and we want a hard cock right now! My measurements are 38DD-25-36 and my ass is as tight as a drum. I'm looking for a stud to get me off. Can you handle that? I do everything, BJs, anal, threesomes, fetish, role playing, around-the-world - anything goes! You name your sexual kick and I'm the woman who'll satisfy you. Dare to be bad with me. Write me now. Seductively yours,
Barbara B., Wilmington, DE.

30-SOMETHING SLUT

Hi, I'm not a 20-something anymore but my body still rocks and I'm more horny than ever. I need men who appreciate a girl when she starts to mature. My pussy still gets wet at the very touch of a man (or a woman). It makes me nuts that guys don't get it that we blow these young bitches away. We know how to please with our mouths, and even anally so give me a try. I like real dirty talk.
Don't delay. Julie P., Los Angeles, CA.

LONELY

My husband left me for a 19 year-old slut last year and I want to get back at him badly by having sex with as many men as I can. That means you! I'm a very attractive woman in her mid 40s with dark hair. I'm half Latin and half German so I have a great, exotic look. My body is very good for a woman with two kids. Still an hourglass figure. Long legsv and tight buns (I work out regularly). I haven't had a lot of sexual experience but I'm open (wide open). Please send a nice intro letter first.
Maria, Houston, TX.

MEN

YOUNG MAN WANTS MOM

OK, so I'm only 18 but I love older chicks. I had this thing for my best friend's mom forever. She's so fucking hot! She wears those black seam stockings and tight ass dresses and just drives me wild. I want a woman like that with big tits and a big ass. No young cheerleader bitches. Just mature sex-starved women who want a young stud to fuck them all night long. I can do it. I also eat pussy. Send your letter to: Bud, Portland, OR.

HANDSOME STUD SICK OF POSERS

I'm sick and tired of chicks who want nothing but guys with money. I want an older MILF or cougar who will be thankful when I do her all night long. Don't ask me about how much fucking money I make, just as me how big my dick is or how long is my tongue because that's what I'm going to use on you. And you better thank me once I cum in your mouth.
Billy, Tacoma, WA.

NEW YORKER

Yo, old bitches. I don't care how old you are – 30, 40, 50, even 60. I'll do any woman who puts out. But you gotta do whatever I tell you to do, OK? So be prepared if it's really weird shit. Don't write to me if you don't want to do really crazy stuff and sex that you only read about in magazines like this. I'm the real deal. I have had se with at least 500 babes here in Brooklyn alone and that's not even counting Manhattan. I go to clubs there and find women your age all the time. So why am I writing to this magazine? Because I want more, OK? I'm handsome and work in law enforcement. Tell me how you look. No ugly chicks. If you're over 50 you better be in good shape. No saggy tits or asses. Mario, Brooklyn, NY.

NEEDS EXPERIENCE

I need an experienced woman to teach me about sex. I've only experienced kissing. Once I put my finger in a girl's hole but that's it. I need a woman who knows how to teach a young guy. Can you help me? I jerk off two or three times a day and always think of my teachers and female bosses (who are older) so please make sure you're like the women in this magazine. Oh, and I like those big white panties and big white bras for you to wear.
Clive, Chicago, IL.
